

**AIR-BRITAIN SECOND-HAND BOOK AND MAGAZINE MART  
& AIR-BRITAIN BACK ISSUES**

Issue 44 – January 2019

**Note: New Entries in Red**

**\*\*NOTE: THESE BOOKS/MAGAZINES ARE ALL FOR SALE TO GENERAL PUBLIC & MEMBERS ALIKE\*\***

As part of Air-Britain's long-term Archival Strategy and as a Service to Members, we actively acquire collections and donations – both from members and others. Inevitably, this gives rise to a substantial number of duplicates – books, magazines and ephemera.

As a result of donations, we have a growing stock of books and a vast number of back issue magazines going back over several decades and some back to the 40s and 50s – all at bargain basement prices. Now is the time to fill the holes in your collection as well as help provide funds for Air-Britain Trust. But please remember these are all 'second-hand' and some of the enthusiast registers etc may have underlining and notations.

If you are minded to donate any books/magazines etc, please contact Malcolm Fillmore (below) to make collection/delivery arrangements. We are particularly interested in filling gaps in our "enthusiast magazine" archive, with an aim to be the principal (and probably only) repository of such material for research purposes.

This list will be updated regularly and frequently, so please keep visiting the list. It is published at [http://www.air-britain.com/pdfs/AB\\_Aeromart.pdf](http://www.air-britain.com/pdfs/AB_Aeromart.pdf)

The books and magazines are held at the **AB Sales Department at Unit 1A Munday Works Industrial Estate, Morley Road, Tonbridge TN9 1RA.**

If you wish to view the ever-growing stock and/or avoid postage charges, collection and viewing etc can be arranged on most Monday mornings and at other times by arrangement.

**Also PLEASE NOTE that generally orders are processed only on Monday mornings and hence please be patient if there are any delays.**

Please note that all items are subject to being unsold and, in particular, some items shown may have been previously sold but accidentally not deleted. In particular, it is sometimes difficult to keep track of what magazines remain available although we try to stock-check them periodically.
