

AEROMART – AIR-BRITAIN SECOND-HAND BOOKS FOR SALE

AUGUST 2021

Note: New/Recent Entries in Red

****NOTE: ALL BOOKS ARE FOR SALE TO GENERAL PUBLIC & MEMBERS ALIKE****

As a result of donations in support of Air-Britain's Archive Strategy, we have a growing stock of second-hand books and magazines available for sale. However, please note that the secondhand sales department is in the process of being reorganised and the lists of available magazines may be a little out of date.

Our lists are now updated on a monthly basis, so please keep visiting our website. Note that there are separate lists for second-hand books, second-hand magazines and the Air-Britain back catalogue of books and magazines.

So, now is the time to fill the holes in your collection as well as help provide funds for Air-Britain Trust. But please remember these are all 'second-hand' and some may therefore not be pristine. We do try to ensure, however, that for example, all magazines are complete (except certain rare ones where so identified).

Lists are published at: <https://www.air-britain.com/web/books-2nd/>

All books and magazines are held at the AB Sales Department at **Unit 1A Munday Works Industrial Estate, Morley Road, Tonbridge TN9 1RA**. Under COVID regulations, it is currently not possible to visit the warehouse.

The Sales Department Telephone number is 01732 363815 (if not manned, please leave a message).

Orders are generally only processed once a week and, in particular in these Covid days, please be patient if there are any delays.

All items are subject to being unsold and note that some items shown may have been sold but the deletion overlooked. Also note that book stock shown *in italics* is currently under offer and awaiting completion of sale so may not be available. We only update magazine listings when adding fresh copies or on periodic stock checks

If you are minded to donate any books/magazines etc, please contact Malcolm Fillmore (below) to make collection/delivery arrangements. We are particularly interested in filling gaps in our "enthusiast magazine" archive, with an aim to be the principal (and probably only) repository of such material for research purposes.

For further information please contact Malcolm Fillmore – malcolm.fillmore@air-britain.co.uk
