D-EHLW		This registration was reserved for a "Beech 35" for Hanseatische Luftwerft on 9.1.73, the c/n not being quoted. The registration was NOT TAKEN UP. During June 1978 the company obtained c/n D-10128 via the Beech Agents Denzel but as this aircraft was already registered as D-EMDR it could not use the reserved allocation of D-EHLW. Eventually D-EHLW was used on Beech Sundowner c/n M-2205 during July 1979. The company wanted to have its own "hack" wearing its initials "HLW".
D-EMEQ	D-?	V35B Delivered Gander-Shannon-Augsburg 4.7.79, possibly an error for D-EMEG?
