

F-1922

The French Civil Aircraft Register from 1922

Part 62

Right: Farman 2220 F-APKY "Ville de Dakar" was one of five F2200 and F2220 types developed from the F220 bomber for use by Air France on the South Atlantic mail route. It featured four 600hp Hispano Suiza 12Lbr engines arranged in two push-pull nacelles and had a retractable undercarriage. (via JM Collection)
